CSNO Bay Coast Fall Conference

October 18th 2025
8:00 AM – 3:30 PM
Location: Michael's At Shoreline Golf Links
2940 N Shoreline Blvd
Mountain View, CA 94043

Session 1 Information:

Interested in refreshing your knowledge on the latest diabetes updates, management, and patient-centered care? Information on how nutrition plays a role in diabetes management will also be provided. Julianne Colella, the diabetes nurse specialist at Kaiser Santa Clara, together with the team nutritionist Harramanjoyt Hans-Brar, will bring the latest information regarding diabetes management, focusing on managing diabetes in the school environment.

Attendees will leave the conference refreshed with the latest updates and advances in patient-centered diabetes care.

Session 2 Information:

Concussions and injuries are unfortunately common in the school environment, occurring in various environments from the playground to the classroom.

Dr. Arvind Balaji, Clinical Assistant Professor at Stanford, will discuss updated guidance regarding concussion management and rehabilitation after injuries in children. Dr. Arvind Balaji is a clinician specializing in sports injuries and orthopedic surgery, focused on sports medicine, pediatric and adolescent sports injuries, concussion, and injury management.

The audience will gain valuable knowledge and information on concussion injuries and their management in the pediatric population.
