

CSNO Bay Coast Fall Conference

November 6th 2021 8:00 AM – 3:30 PM

Location:

Shoreline Link's (formerly known as Michael's at Shoreline)
2960 N Shoreline Blvd, Mountain View, CA 94043

AT LAST, we will all come to together again to hear great speakers, network with each other and bring back knowledge (and a couple of good jokes!) that we can use in our practice the following Monday. It's been a long time coming, so here we go!

How often have you wished you had an expert standing next to you as you deal with Section 504 cases? We have one for you! We have been able to book the much sought-after speaker **Alefia E. Mithaiwala**, who will be presenting on **Section 504 Implementation for School Nurses**. Ms. Mithaiwala has over 15 years of diverse experience in the field of education and education law representing school districts and educational agencies. She enjoys practicing preventative law by consulting and training school staff on various IDEA, discipline, ADA and Section 504 matters. She received her Master's in Education degree from Harvard University Graduate School of Education in 2002 with an emphasis on special education policy. In 2003, she worked with the U.S. Department of Education, Office of Special Education and Rehabilitative Services to draft regulations for the 2004 amendments to IDEA. Everyone who has heard her speak says she is fantastic. This is a must-see presentation.

When was the last time you updated your knowledge on illicit drugs trends— before COVID-19, right? Kids seeking out these drugs are not sticking with the old game plan and have come up with new and more sophisticated plans to obtain and use them in ways we aren't expecting. It's time for a refresher course. Joining us from the Santa Cruz Sheriff's Department, will be **Nick Baldrige**, who is an expert in the field and will update us on **Current Drug Trends**. In addition to his in-the trenches knowledge of what's going on, he will bring some items along for us to see and touch, so we will know first-hand what's popular these days.

Agenda:

8:00 AM – 8:30 AM Registration/Breakfast (provided)
8:30 AM-11 AM Session 1: Current Drug Trends – Nick Baldrige
11 AM – 11:15 AM Break
11:15 AM – 12 PM CSNO Bay Coast Business Meeting
