07:45 - 08:20  Registration/Continental Breakfast
08:20 - 08:30  Welcome
08:30 - 09:00  NASN 2023 Highlights of NASN Conference 2023 in Orlando: Nancy Kimura, BSN, RN, CSN, CSNO Central Valley
Section President
Description: Selected topics of interest to school nurses will be shared from the National Association of School Nurse 2023 conference
Objectives: Participants will be able to identify 2 new school nurse strategies or resources that can be useful in promoting student health and success.
09:00 - 10:05  Come HEAR This Update!: Cynthia A. Cavazos, AuD, CCC/A, FAAA Audiologist, Retired, Full-Time Lecturer, California State University, Fresno
Description: An overview of the hearing screening protocol for students and pass/referral criteria.
Objectives: By the end of the session, participants will be able to: 1) Describe the hearing screening protocol for students in California public schools 2) Will be able to characterize the pass/referral criteria of California’s Hearing Conservation Program.
10:05 - 10:20  Break
10:20 - 11:05  General Business Meeting/Scholarship Awards
11:05 - 12:10  Gastrostomy Tubes, GJ Tubes in the School Setting: Anne Sturrock RN IV CPN, Valley Children’s Hospital GI Clinic.
Description: Gastrostomy tubes and GJ tubes will be presented. Trouble shooting and emergent situations will be discussed along with school orders for tube feeding students.
Objectives: Participants will be able to: 1) Identify different types of GT & GJ tubes 2) Describe how to use GT & GJ tubes in the school setting 3) Identify 2 trouble shooting techniques for students with GT & GJ tubes
12:10 - 12:40  Lunch
12:40 - 02:30  Suicide Prevention: Jonathan Logan, Lead Psychologist, Clovis Unified Wellness Project.
Description: California law requires school districts to provide information & training on suicide prevention. This training will offer participants information that will increase awareness on this topic and provide steps to take if an individual is expressing suicide ideation or exhibiting warning signs of suicide risk.
Objectives: After the session, participants will: 1) Have an increased understanding of different aspects of suicide prevention, including risk factors, warning signs, and myths. 2) Have an increased understanding of different factors that can increase suicide risk, such as exposure to trauma, being part of groups that have been identified as potentially high risk, and specific steps that can be taken when someone has expressed suicide risk
02:30 - 02:45  Closing Remarks
