

# California School Nurses Organization

Leadership, Education, Advocacy, Diversity

As of 5/28/2026

## CSNO Vision & Mission

CSNO sets the standard for school nursing and health services, championing the profession's essential role in improving student outcomes.

*CSNO promotes excellence in school nursing by optimizing student health and collaborative learning through regional grass roots efforts, professional development, leadership cultivation, evidenced-based research, standards of care and advocacy.*

### Legislative Priorities

- Promote the physical, mental, and emotional health of students.
- Champion the role of the registered credentialed school nurse.
