

School Nurse

School Nurse Services credential required. This is a pool position for the 2023-2024 school year. Please apply to this position if you are interested in being considered for School Nurse positions across SFUSD.

Who We Are

The San Francisco Unified School District (SFUSD) is the seventh largest school district in California, serving more than 57,000 students who speak more than 44 documented languages across 132 schools in the city of San Francisco every year. We aim for every student who attends SFUSD schools to discover his or her spark, along with a strong sense of self and purpose. Our goal is that all students graduate from high school ready for college and career, equipped with the skills, capacities and dispositions outlined in [SFUSD's Graduate Profile](#). Every day in our quest to achieve this mission we provide each and every student the quality instruction and equitable support required to thrive in the 21st century.

What It Means to Work Here

When you join our team at SFUSD you can expect to be part of an inclusive, innovative and equity-focused organization that approaches public education as a social justice movement, requiring broad collaboration across an array of strategic partners. In 2014, SFUSD created an inspiring statement, [Vision 2025](#), which captures our aspirations and vision for the future of public education in San Francisco. Alongside the District's strategic plan, [Transform Learning. Transform Lives](#). SFUSD is reimagining how public education will change over the next decade to meet the dynamic future of San Francisco. As a [CORE district](#), SFUSD is also a leader in critical systems change for more comprehensive school accountability and innovations that help strengthen the instructional core, which is the foundation of our strategic plan and Vision 2025.

Who We Want

We want talented people with diverse backgrounds and experiences, who are inspired by our mission steeped in equity, and who are motivated to unleash our children's potential. We want people who are strong collaborators, skilled communicators, and problem solvers comfortable in a community of continuous learning.

Minimum Qualifications

License

- a. Bachelor's and/or Master's Degree
- b. Registered Nurse license issued by State of California

- c. Current health care provider CPR (health care provider)

Credential

- a. Valid California Preliminary or Clear Credential in School Nurse Services

Professional Experience

- a. Prior experience as a Registered Nurse through which a general knowledge and understanding of health and human relationships has been developed

Essential Duties and Responsibilities

The length of the work year for all certificated staff shall be as follows: 184 days of service, [...] which includes the three

(3) District professional development days (UESF Certificated Contract 2017-2020).

In accordance with the California Standards of the Teaching Profession, School District Nurses work under the

supervision of central School Health Programs administrators and in collaboration with their school administrators, staff,

families, and community. Whether placed centrally or at school sites, School District Nurses are responsible for the

fulfillment of the essential duties set forth below:

School nurses ensure the academic, physical and emotional growth of San Francisco's children and youth by assisting

school sites in building their capacity to meet the needs of the whole child. The mission is aligned with SFUSD goals and

priorities and evidenced in SHP goals and objectives, which are implemented under the direction of the Executive Director

of the Office of School Health Programs.
