Topics: Disarming Dialogue and Emotional Intelligence

This course is designed to develop participants in both communicative intelligence and emotional intelligence. Participants will learn to recognize and manage behavior trait patterns by using their own natural patterns to develop the following:

- Establishing and maintaining credibility
- Choosing voice
- Using 3rd point
- Developing, (gaining) and maintaining rapport under pressure
- Developing empathy by utilizing the 3 types of paraphrasing
- The power of pause
- The power of proxemics
- Understanding para-verbal's

Cost:

Conference \$75.00

Retired/Student \$55.00

NS Board Member \$65.00

Non CSNO Member \$250.00

Includes light breakfast, lunch, materials and BRN contact hours.

May join CSNO or renew 22-23 CSNO membership with registration.
