

# School Nurse Academy

The School Nurse Academy was designed by school nurses for school nurses. The Academy features a hybrid learning experiences. One module will be conducted via Zoom; the remaining modules studied online. Enrollment is limited to 20 participants. The modules include interactive activities that allow for self-paced course work. The CSNO School Nurse Academy is facilitated by experienced school nurse leaders who serve or have served on the CSNO State Board. School Nurse Academy attendees automatically become CSNO members since organizational support is critical to school nurse success. CSNO is pleased to offer 62 BRN contact hours through the California Board of Registered Nursing. The California School Nurses Organization is provider approved by the California Board of Registered Nursing CEP #04269. We regret that once registered, no cancellations or refunds may be made, however substitutions are welcome.
